Wilson Road  
Windermere Road  
Wingfield Street  
Winstanley Road (west of Twyford Avenue)  
Winton Road  
Wyllie Road

## **B) CITY COUNCIL'S REASONS FOR MAKING THE ORDER**

It has been proved that the speed at which vehicles travel is directly related to the severity of injuries sustained by casualties resulting from a road traffic accident. For this reason it is considered essential that vehicles travelling through the congested narrow residential roads within the City should be restricted to 20mph. This speed is appropriate for the type and nature of these roads and would improve road safety for pedestrians and cyclists, particularly for children and other vulnerable road users.

A copy of the draft Order and a poster to view, plus leaflets, are available at the Information Desk, Ground Floor, Civic Offices, Portsmouth during normal office hours and a poster/leaflets are also available in Community Centres, Health Centres, Libraries and Schools in the affected area.

Persons wishing either to object to or support these proposals may do so by sending their representations **in writing** to Margaret O'Neill, Directorate of Environment and Transport, Portsmouth City Council, Civic Offices, Portsmouth or via email to [engineers@portsmouthcc.gov.uk](mailto:engineers@portsmouthcc.gov.uk) quoting ref: **MON/MAM/1148/3/06TRO49** by the **28<sup>th</sup> December 2006** stating the grounds of objection/support.

A dedicated telephone number for callers to leave a **voice mail message** for queries has been set up on **(023) 9268 8655**. Officers will endeavour to get back to callers' queries within 2 workings days.

Under the provisions of the Local Government (Access to Information) Act 1985, any letters of representation which are received may be open to inspection by members of the public.

Julian Lomas
