Portsmouth public transport map

Services included

Details of almost all public transport (local bus, coastal ferries, National Express, Greyhound, Megabus and train services) in Portsmouth are included. School buses, National Express, Greyhound and Megabus services are omitted from the map to improve clarity.

The information is correct as of October 2011. Bus services may change at short notice and the council is unable to accept responsibility for any subsequent inaccuracies in this guide.

User guide

The index to places served will help you find the routes which go to your chosen destination. All local bus routes are identified on the map, and the list of services shows the main points served, how often the service runs, who operates the route, and (if the service is contracted) which council the route is operated for.

Not all services run daily, or throughout each day. Further information can be obtained from the operators, and a list of public transport operators in this area is included, giving their telephone numbers and addresses.

Suggestions and complaints

If you have any suggestion or complaint about local transport, contact the relevant operator.

This map is financed and published by Portsmouth City Council to provide comprehensive public transport information for residents and visitors.
